

HAGENSBORG WATERWORKS DISTRICT

BYLAW NO. 212

A bylaw for fixing the connection charge payable to the improvement district and the time of payment thereof.

The Trustees of Hagensborg Waterworks District **ENACT AS FOLLOWS:**

1. Definitions:

Service Connection - means the pipeline installation from the improvement district's main to the property line of the property to be served, when such property line coincides with the established road allowance.

2. Application for Water

- a. Application for a new water service connection must be made in writing to the improvement district, delivered to the district's Officer, and must be in such form as the Trustees may, from time to time, prescribe, and must be signed by the applicant who must be the owner or an authorized agent of the owner of the property in respect of which application for water is made.
- b. Each application for water must be accompanied by the prescribed charges as set in this bylaw.
- c. No water will be supplied upon any application until all fees and charges for the water connection, or other monies required by the improvement district to be paid, have been paid in full.
- d. Each application must contain the name of the owner, the legal description of the land parcel, specific details of the type and extent of development to be served, and the type of water service required.

3. Connection Charge - Every applicant for a connection to the works must pay to the improvement district the total cost of labour, materials, permits and any other items required to install the service connection, plus an inspection and administration charge of three thousand dollars (\$ 3,000)
4. A request for re-connection to property which has previously been disconnected from the district's service for what ever reason, will be considered a new connection under this bylaw.
5. The Trustees may, subject to the prior payment of the above charges, require the property owner or his representative to carry out the installation of the service connection or any part thereof, subject to the standards set for the improvement district.
6. Full payment of the connection charge is required upon approval of the application.
7. No work will commence on the connection until the connection charge or other monies required by the improvement district to be paid, have been paid in full.

8. The bylaw may be cited as the "New Connection Charge Bylaw".
